BOOKLET NOW AVAILABLE

IDEAS on how you can use this booklet:

- Include a booklet in your admissions packet.
- Use the booklets for discussion starters in your family support groups.
- Consider having new staff members read the booklet as part of their orientation.
- Have staff pick a topic for a weekly meeting then encourage them to share some of the techniques they have found to be most effective.
- Use the booklets as a marketing tool by purchasing them in bulk and have your facility information included on the cover.
- Makes an excellent gift!
 - *for someone who has a loved one being admitted to a long term care facility*
 - *for someone who is taking a job in a setting where they are working with older adults*
 - *for a volunteer who spends time visiting older adults*
